The Cause

The YouthQuest Foundation provides support for the academic development and life-enriching activities of America's youth. We believe the best way to prepare teenagers for productive lives, particularly at-risk teenagers, is through a quality education and the development of fundamental life skills. A core mission of YouthQuest is to provide educational scholarships. These scholarships are awarded to at-risk teens with college or vocational aspirations. Whether they are interested in pursuing a degree or developing proficiency in a trade, our scholarships make continuing education possible for those at-risk teens who have embarked upon a new path by participating in a viable program focused on helping them reshape their lives.

The Venue

Trump National Golf Club - The Island Course

The 18-hole Island Course was ranked by *Golf Digest* magazine as the 10th Best New Private Course in 1994 and the Fifth Best Course in the state of Virginia. The par-72 course stretches along lakes and marshes offering expansive views of the Potomac, then winds through a wooded valley laced with streams. Wildlife is abundant, ranging from eagles and marsh fowl to deer and red foxes. Large forgiving fairways and greens can be deceptive, surrounded by small, deep and well-placed bunkers. The course is enjoyable for both expert and higher handicap golfers.
